

## GUIDE FOR AUTHORS

“Agrophysica” journal publishes original research papers, based on the results, which are **not yet published** or considered for publication in any other research journals. Together with the manuscript submitted to the journal a letter confirming the fact that the paper is not yet published or considered for publication in any other research journals, addressed for the Editor of the “Agrophysica” journal should be provided. All manuscripts are submitted electronically to the E-mail address: **agrophysica@agrophys.ru**

The papers are reviewed anonymously. The results of the reviewing or the letter of rejection with explanations are being sent to the authors for the manuscript revision. There is no fee for publication.

The papers are published in Russian language and the manuscript should be prepared using Microsoft Word for Windows (Times New Roman, font 12, 1,5-interval). The pages of the manuscript should be numbered. The paper should be no longer than 12 pages (including Tables, Figures and References). All the margins should be 25 mm. Together with the manuscript in Russian the authors should provide the abstract of the paper in English (with the title, authors and affiliation).

### **Original research paper should include:**

*УДК (курсуе)*

**TITLE**

**Surname and the initials of all the authors**

*Affiliation of the authors*

*Whole postal address*

*E-mail address*

Abstract (up to 150 words)

Key words (up to 5)

**INTRODUCTION** (ending with the formulated aim of the research)

**MATERIALS AND METHODS** (the description should allow other researchers to repeat the experiment)

**RESULTS AND DISCUSSION**

**CONCLUSIONS**

**ACKNOWLEDGEMENTS** (if necessary)

**REFERENCES**

Tables

Figures with captions

### **Review or theoretical paper should include:**

**TITLE**

**Surname and the initials of all the authors**

*Affiliation of the authors*

*Whole postal address*

*E-mail address*

Abstract (up to 150 words)

Key words (up to 5)

**INTRODUCTION** (ending with the formulated aim of the research)

The main body of the paper should be divided to separate parts entitled according to the authors' choice

**CONCLUSIONS**

**ACKNOWLEDGEMENTS** (if necessary)

**REFERENCES**

Tables

Figures with captions

### **Methodical paper should include:**

**TITLE**

**Surname and the initials of all the authors**

*Affiliation of the authors*

*Whole postal address*

*E-mail address*

Abstract (up to 150 words)

Key words (up to 5)

**INTRODUCTION** (ending with the formulated aim of the research)

**METHOD DESCRIPTION**

**METHOD DISCUSSION**

**CONCLUSIONS**

**ACKNOWLEDGEMENTS** (if necessary)

**REFERENCES**

Tables

Figures with captions

**Short communications for original or methodical research can also be published.**

All main parts of the manuscript should be divided by one empty line. All Tables and Figures should be put at the end of the manuscript.

**Tables** should not be bigger than one A4 page. All tables should have numbers according to the references in the manuscript. Only the discussed information should be put in the tables.

**Figures** should have numbers according to the references in the manuscript. The script in the figures should be big enough to allow significant reduction of the figures (up to 50%). All the explanation of the symbols on the figures should be provided in the captions. If absolutely necessary the figures can be in color. Tables and figures should not contain the same information.

**References** should be formed according to the ГOCT P 7.0.5-2008 and ГOCT 7.1-2003. Art. № 332-CT.

References are given in alphabetical order. Russian references first and then references on all the other languages.

**Citations inside the text** should be made by the surnames rather than by the numbers. For example: Ivanov I. I. (2009), or (Ivanov, Petrov, 2009).
